THE HONORABLE ANDREW M. CUOMO,
ATTORNEY GENERAL OF THE STATE OF NEW
YORK, OFFICE OF THE ATTORNEY GENERAL,

Defendant.

State of New York)
)
) s.s.:
County of New York)

GEORGE FORSYTHE, being duly sworn, deposes and says:

1. I am a Supervising Labor Service Representative (“SLSR”) at the New York State Department of Labor (“NYS DOL”) and have held that position since 1988. From around November 2004 to around June 2008, I was an SLSR for the NYS DOL Alien Employment Certification Office.

2. The NYS DOL is a state workforce agency (“SWA”) under the H-2B visa program, that receives, and has received since well before January 2003, Applications for Alien Employment Certification, known as “ETA 750s,” filed with the NYS DOL by employers seeking labor certification to employ individuals on a seasonal basis to perform temporary, nonagricultural work under the H-2B visa program. A copy of a blank ETA 750 is attached hereto as Exhibit 1. Employers are required to first submit ETA 750 applications (two originals)

to a SWA before they are certified by the U.S. Department of Labor (“US DOL”).

3. During the period from before January 2003 through September 2007, the ETA 750 applications for H-2B workers were handled by the NYS DOL Alien Employment Certification Office which was located at 247 W. 54th Street, New York, New York 10019. This affidavit pertains to that time period, including ETA 750s for H-2B workers filed by Dreamland Amusements Inc. with the NYS DOL during that time period.

4. I am familiar with the facts stated here from my work as an SLSR, especially my years with the NYS DOL Alien Employment Certification Office, as well as my consultation of the files related to Dreamland Amusements Inc. and consultation with other staff involved in the NYS DOL’s role in the temporary labor certification part of the H-2B visa program.

5. As part of my job, I know how to obtain data from the NYS DOL mainframe database that includes information from ETA 750s filed by employers or their agents¹ with the NYS DOL seeking temporary labor certification for H-2B workers, and I am familiar with the process by which information from the ETA 750s was recorded in the database. This database has been used in the regular course of business at the NYS DOL to record information from ETA 750s filed by employers since before January 2003 until around the end of September 2007 with the NYS DOL seeking temporary labor certification for H-2B workers.

6. The NYS DOL’s practice was to forward the original ETA 750s for H-2B workers and supporting documentation to the US DOL after the NYS DOL had reviewed the ETA 750s for completeness and, among other tasks, made a determination of the prevailing wage and

¹ Employers may authorize agents, including but not limited to attorneys, to file the ETA 750s on their behalf and represent them for the purposes of labor certification.

supervised the employer's efforts to recruit U.S. workers for the jobs for which the employer sought temporary labor certification to employ H-2B workers.

7. Employers seeking temporary labor certification for H-2B workers were required to submit to the NYS DOL two original, double-sided ETA 750s that contained all of the information on the ETA 750s, including but not limited to the Rate of Pay (see Exhibit 1, box 12), and that were signed and dated by the employer. Upon receipt by the NYS DOL of ETA 750s from employers or their agents seeking temporary labor certification for H-2B workers, a clerk would in-stamp each of the 2 original ETA 750s with a date stamp in the bottom right corner of the application in the box with the letters "S.O." See Exhibit 1. Then the clerk would enter that same date (the receipt date of the ETA 750s), as well as other information from the ETA 750 applications, into the NYS DOL database. Next, the clerk would assemble all of the documents submitted by the employer or their agent, place them in a manila folder, and the case would go to an NYS DOL examiner to be reviewed for completeness, to make a prevailing wage determination, to review the employer's demonstration of temporary need for H-2B workers, to supervise the recruitment process (recruitment of U.S. workers), to enter a job order into the job database utilized by the NYS DOL, and to be processed.

8. The NYS DOL's practice was that if an employer or their agent had listed a Rate of Pay (see Exhibit 1, box 12) that was less than the prevailing wage determined by the NYS DOL, the ETA 750 forms would have been sent back to the employer or agent with instructions as to what the prevailing wage was, and with instructions to change the ETA 750 Rate of Pay to a wage no less than the prevailing wage, to initial that change, and then return the forms to the NYS DOL. Similarly, if other items on the ETA 750s were not filled in, the forms would be

returned to the employer or agent with instructions to complete the form and return it to the NYS DOL. The NYS DOL would not forward ETA 750 applications to the US DOL unless they were complete.

9. The NYS DOL's practice was to forward ETA 750s to the US DOL only if the employer agreed to pay at least the prevailing wage determined by the NYS DOL. The wage that the employer would be required to pay during the period of need (the time period when the H-2B workers would be employed in the U.S.) if the US DOL certified the ETA 750 was at least the prevailing wage determined by the NYS DOL. Employers were free to pay higher wages than the prevailing wage.

10. Information in the NYS DOL database regarding Dreamland Amusements Inc. which I consulted to prepare this affidavit shows that:

- a. Dreamland Amusements Inc. filed six ETA 750 applications with the NYS DOL since 2003 seeking temporary labor certification for H-2B workers and all of these applications were processed by the NYS DOL Alien Employment Certification Office when it was located in New York City (see paragraph 2 above). Specifically:
 - i. Dreamland Amusements Inc. filed an ETA 750 application on January 15, 2003 seeking certification to employ 16 carnival laborers;
 - ii. Dreamland Amusements Inc. filed an ETA 750 application December 15, 2003 seeking certification to employ 30 carnival laborers;
 - iii. Dreamland Amusements Inc. filed an ETA 750 application

September 13, 2004 seeking certification to employ 30 carnival laborers;

iv. Dreamland Amusements Inc. filed an ETA 750 application November 15, 2005 seeking certification to employ 40 carnival laborers;

v. Dreamland Amusements Inc. filed an ETA 750 application September 27, 2006 seeking certification to employ 45 ride operators; and,

vi. Dreamland Amusements Inc. filed an ETA 750 application September 26, 2007 seeking certification to employ 55 amusement attendants carnival.

b. the NYS DOL made a determination of the prevailing wage for each of these six ETA 750 applications;

c. Bob DeStefano was the employer contact for all of Dreamland Amusements Inc.'s ETA 750 applications except for its September 26, 2007 ETA 750 application for which Kathryn DeStefano was the employer contact;

d. Dreamland Amusements Inc. authorized an attorney/agent to represent it for purposes of labor certification for each of the six ETA 750 applications (see paragraph 10(a) above); and,

e. The NYS DOL transmitted each of Dreamland Amusements Inc.'s six ETA 750 applications (see paragraph 10(a) above) to the US DOL for certification.

11. In accordance with its practice described above, the NYS DOL forwarded original

ETA 750s and supporting documentation to the US DOL after the NYS DOL had reviewed the ETA 750s for completeness and, among other tasks, determined what the prevailing wage was. In addition, the NYS DOL maintains copies of selected documents related to ETA 750 applications for H-2B workers for two years. Such copies are referred to internally as a “skeleton file.”

12. While the NYS DOL, as stated above, does not generally maintain copies of all the six ETA 750s or supporting documents that Dreamland Amusements Inc. and/or its agents filed with the NYS DOL,² copies of documents related to Dreamland Amusements Inc.’s ETA 750 applications filed with the NYS DOL in 2005, 2006, and 2007, and that were maintained in the Dreamland Amusements Inc. skeleton files, are attached hereto as Exhibit 2. These copies include documents that Dreamland Amusements Inc. submitted to the NYS DOL or that were generated in the regular course of the NYS DOL’s review and processing of Dreamland Amusements Inc.’s ETA 750 applications seeking temporary labor certification for H-2B workers. These copies include:

- a. Dreamland Amusements Inc.’s ETA 750s filed with the NYS DOL on September 26, 2007 and September 27, 2006 (and the US DOL letter certifying this ETA 750 application);
- b. various documents related to the NYS DOL’s determination of the prevailing wage for Dreamland Amusements Inc.’s ETA 750 filed with the NYS DOL on September 26, 2007;

² The NYS DOL is attempting to locate additional files related to Dreamland Amusements Inc.’s ETA 750 applications, if any, that may be in archives.

c. various documents related to Dreamland Amusements Inc.'s efforts to recruit U.S. workers for the jobs for which Dreamland Amusements Inc. sought temporary labor certification for H-2B workers;

d. two "Job Summary" printouts that include a description of the job offers that were used on or around October 2006 and on or around September 2007 to advertise Dreamland Amusements Inc.'s positions to U.S. workers;

e. "State Agency Transmittal of Application for Alien Employment Certification," forms dated December 13, 2005, October 27, 2006, and October 24, 2007 that were completed by NYS DOL staff and then forwarded to the US DOL along with Dreamland Amusements Inc.'s ETA 750 applications; and,

f. Case Detail Screen printouts with information recorded in the NYS DOL mainframe database from each of Dreamland Amusements Inc.'s six ETA 750s (see paragraph 10(a) above).

Re: H2B Temporary Outdoors Entertainment Classification – Dreamland Amusements.

As per the current guidelines for filing of 39-3091 Carnival Workers we have attached:

- DOL FORM ETA 750A
- CARNIVAL ITINERARY AND PREVAILING WAGE SUMMARY
- COPIES OF OES/ONET FLA PREVAILING WAGE FOR THIS ITINERARY
- PROPOSED AD TO BE RUN IN THE NEWSPAPER LISTED BELOW.

It is our understanding that we need to run help wanted ads for 3 consecutive days in the local paper where employment is scheduled to begin. The local newspaper is the "The News Herald" located in Panama City , FL. Can you please fax us instructions on advertising so that we can start the 10-day recruitment period ASAP. We have attached a sample ad for your review and approval.

We have submitted OES/ONET wage printouts for each county that the tour is appearing in, as per the itinerary. The prevailing wage being offered in the application and the recruitment advertising meets or exceeds that highest prevailing wage as per the itinerary. Please fax the DOL Case Number to our offices at 1-866-522-4252 and as soon as the 10-day recruitment period has ended we will fax you copies of the advertising and the recruitment results.

We work hand-in-hand with several Carnival Companies in the "Outdoor Entertainment Industry", I also own my own Circus - Circus Chimera, JKJ Equipment Company (Eqpt. supplier), as well as this, JKJ Workforce. I have done this process for my own companies for many years, and am glad to assist other Business Associates that I know who are also in this same shortage of workers. I am not a lawyer; I am assisting a Carnival Owner that I know well, and work with, in this filing of the paperwork. Many of them have tried using Lawyers, or other Agencies over the years, but knowing me, and being in the same Business has helped in dealing together with the Labor shortage, similar problems. Most of the Carnivals are on the road for the majority of the year traveling, I am fortunate to have a permanent Office, with a full staff, and we are able to accomplish much more than trying to do it traveling on the Road. Thus the reason that I am acting as Agent/Representative.

I trust that you will find the paperwork in order. If you have any questions, need any clarification, or if I can be of any assistance, please do not hesitate to let me know.

Sincerely,

James K. Judkins, President
JKJ Workforce Agency, Inc.
